Hi Gloria

21 July

I lost my reunion info
(computer gremlins) but
hope this is right. I see
that there is no vegetarian
lunch again. I will try
to offer my lobster to
someone at my table. I do
hate to waste crustaceans.

I'm having serious
trouble with my right
knee. If 8/13 turns out
to be too stiff, I probably
will have to pass. Hope
not - I enjoy the reunions.
We are becoming a smaller
group but hearty
