Write a short biography of yourself and mail or email this form in and your comments will be included on the 65th Reunion web page after the reunion.

My husband, Joe K. Reasons, passed  
away in November 2024. We were  
4 months shy of our 60th wedding anniversary.

You can also submit a bio online about yourself on the Classmates Bio web page. You can find the web page at: <http://sk1960.homestead.com>. Email Dave Ojima at [dojima@earthlink.net](mailto:dojima@earthlink.net) if you have any questions.
