Write a short biography of yourself and mail or email this form in and your comments will be included on the 65th Reunion web page after the reunion.

**I lost Ted this year. It was not a good way to start a new year. He had had a stroke two years ago. Last November he had a seizure and he passed on January 1, 2025.**

**I was his caregiver and was happy to help him for all that he needed. This May we had a celebration of life for Ted at our son's place outside.**

**Ted and I were lifetime partners and married for sixty-three years. We knew each other since I was fifteen years old. We had four children, Tami, Jackie, Gary, and Jodi. They all live local, and we are a very close, loving family. I am blessed to have the love and help from them all.**

You can also submit a bio online about yourself on the Classmates Bio web page. You can find the web page at: <http://sk1960.homestead.com>. Email Dave Ojima at [dojima@earthlink.net](mailto:dojima@earthlink.net) if you have any questions.
